

Classifications

The Classification that most accurately describes the Insured's operations is to be used. In the case of multiple operations, the classification for each operation will be used. Only those governing classes listed in the Eligible Classifications section below qualify. A "governing class" is determined by the largest payroll amount assigned. Risks with incidental exposures from classifications not on the eligible list may be considered.

5	Nurseries-propagation and cultivation of nursery stock	4497	Plastics-fiber reinforced plastic products mfg.-N.O.C.
35	Florists-cultivating or gardening	4498	Plastics-injection molded products mfg.-N.O.C.
